## FUN

### Scratch Coding

Scratch is the world's largest coding community for children and a coding language with a simple visual interface that allows young people to create digital stories, games, and animations. Learn all about it with Allan in this interactive session.

- When:** Thursday 29th September - Module 1  
Thursday 6th October - Module 2
- Time:** 10am - 12pm
- Cost:** \$5 each session (do one or both)

### Make your own Keyrings

Come along and learn how to create different style balls with polymer clay and create 2 keyrings to take home. A great, fun introduction to the art of jewelry making for ages 8 - 12.

- When:** Tuesday 26th September & 4th of October
- Cost:** \$10 (all materials supplied)
- Time:** 9:30am to 12pm

### Lego Build Challenge

Take part in a series of Lego building challenges. Compete against each other and maybe win a prize! Suitable for ages 6 - 10.

- When:** Friday 30th September
- Cost:** \$5
- Time:** 10am to 12pm

### Halloween Craft Day

Come along and enjoy a day of craft. Make and decorate your own jar and fill it with your very own made slime. Lots of crafty fun. Ages 8+
