Welcome back to another busy year here at Orana!

On behalf of the committee, Sue and myself, we would like to hope you had a restful break and ready to enjoy what 2024 offers!

We have started introducing new classes within the centre and are hoping to include a little bit of fitness and health as well!
It is great to see a lot of the classes starting back!

The community that we supported the previous year was: The Hilltop Cancer Accommodation, Cancer Council's Biggest Morning Tea and Girls Night In, The Border Cancer Centre and Tots to Teens. With your support we managed to raise just over \$1000. We all donated many items for our raffles and many metres of bunting made for others!

IF you have any ideas about fun family events that we can have here please chat to the office and we would love to host more family fun activities here!
Regards,
Amanda

Dads Tuning in to Kids Group Program

For parents and carers of children aged between 3 and 12 years.

This six-week program is aimed at male parents and carers.

This program will support you to help your child understand and manage feelings ('emotional intelligence').

Children with good emotional intelligence:

- have better concentration at school
- have better success making and keeping friends
- are more able to manage conflict with peers
- are more able to calm down when upset or angry.
