

ORANA

COMMUNITY CENTRE INC.

Thank you to all who have paid there membership to the centre.

These fees allow us to:

- * Provide newsletters, bi-monthly,
- * Cover your insurance whilst on premises.
- * Keeps us being a community run & owned organisation.
- * Early access secures to upcoming pop up courses before being advertised to the wider community.

Over the next month we plan to have our wonderful committees faces on the wall so you have an idea of who they are. Please be understanding that most of our committee work during the day but they will try there best to pop in over the next couple of months so that you can put a face to them!

If you want to discuss any matters with the committee, please forward emails to admin@orana.org.au.

The seating area is all built and we will be moving onto the next phase of works, 'Planter boxes' We are just waiting on some confirmation from Albury City Council on some other items and then we will be completing these works with Murray High School Students. Stay tuned for more changes to the outdoor space of the centre.

Fabric Swap

A small section of our Library has been turned into a place where you can give or take material!

They trade off, if you bring in material and it is still there within a month we ask that you take in back and give it to someone else!

Please keep this area tidy so that our 2 Vol-unteers can sew and not spend heaps of time tidying our mess!

Other services we offer:

Recycle Station— Used batteries, phones, light globes and smoke detectors can be dropped to the centre.

Free Mini Library—Come along and read our books or take them home. Swap books or add to our collection. DVD's are now available in this library

Public Computer—Free public access to our computer

Don't Forget Fathers Day!

ORANA

COMMUNITY CENTRE INC.

Strategic Planning

We would like to thank all the community members who came to have a say in shaping our centre for the next 3 to 5 years.

What a great turn out and many ideas were gathered and discussed.

The drafts will be sent to all those who attended for their input once again. We look forward to having the strategic plan completed for all to read!
